GENERAL SALE INFORMATION

TIME: Tuesday, April 13, 1976, 12:30 p.m.

LOCATION: The Fieser Sale will be held at the Central Livestock Sales Pavilion in Hutchinson, Kansas, located in the southwestern part of Hutchinson on Hwy. 96.

TRANSPORTATION: Commercial airline service is available to Wichita, Kansas. With advance notice your plane can be met there and transportation to the sale site arranged. The Hutchinson airport can accommodate any small aircraft. Again, transportation from either of these locations will be taken care of with prior notice given to the sales management team.

TELEPHONE: The phone at the sale site will be 316/662-3611.

SALE HEADQUARTERS: The Ramada Inn in Hutchinson is designated as the sale headquarters. Please make reservations in advance. Phone No.: 316/663-1101.

LOAD OUT: No sale cattle will be loaded out until after the conclusion of the sale.

LUNCH: A lunch will be available sale day at the sale site.

TERMS: Cash at conclusion of auction unless other arrangements have been made in advance.

HEALTH: The Fieser herd is accredited for TB and brucellosis and has been for many years. U.S. health certificates will be provided for each lot sold.

INSURANCE: Anyone wishing to insure their purchases may do so by contacting the sale manager or settling clerk.

ANNOUNCEMENTS: Announcements made sale day will take precedence over printed material in the catalog.

BREEDING GUARANTEE: Inasmuch as this is only a herd division sale and certainly not a dispersion, we will sell under the standard guarantee endorsed by the American Shorthorn Assn.

LIABILITY: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the welfare of the cattle sold. Neither owner nor sales managers can be responsible for any accidents, but every effort will be made to provide for the safety and comfort of those attending the sale.

MAIL BIDS: Mailed or telephoned bids will be handled in a most confidential manner if you are unable to attend the sale personally. Simply by contacting a representative of American Cattle Services, Inc., far enough in advance prior to sale day, we will be able to assist you at ringside on sale day.

Dear Friends,

Our cow herd has outgrown our pastures so we have decided to share our herd with you. We have selected the ones which will go ahead and work for you. They are right off the top, most of which we have raised several generations. Our herd was started almost 40 years ago, and they have always been handled in a practical manner along with our other farm operations.

We have always had a clean herd, have had a calfhood vaccination program, and the herd is TB free.

We will be honored by your interest and your presence at this event.

Sincerely,

**Earl J. Fieser & Sons

Dear Cattleman,

It is with pleasure that we welcome you to this, the first production sale ever of the Earl Fieser-owned Polled Shorthorn herd, the afternoon of April 13 in Hutchinson, Kansas.

The entire Fieser family of Mr. and Mrs. Earl Fieser and sons Gene, Glen, and Larry have certainly taken pride in preparing for this first sale and you can be confident that a sound set of well-conditioned Polled Shorthorn cattle will await your visit sale day.

Without question Earl Fieser is one of the most loyal, dedicated Shorthorn breeders in all of America. His foresight to breed big-framed, efficient converting Polled Shorthorn has kept him in the registered Shorthorn business for nearly 40 years. His enthusiasm for this great breed of cattle is unmatched, as is his fine character and honesty. In my opinion you will be buying Polled Shorthorn cattle April 13 from one of the finest breeders within Polled Shorthorn history; without a doubt, we are extremely happy and fortunate to be helping in the management of this fine sale offering.

Selling in this sale will be a top set of cow-calf pairs, bred and open heifers, as well as a select offering of bulls. Fieser foundation females have always performed well, not only at the Fieser farm, but also in leading herds throughout the country. Just recently a Fieser-bred cow topped the very successful Heckendorf-Shuppe Shorthorn Production Sale at Castle Rock, Colo. Show steer and heifer projects bred by Fieser have always been popular among Texas, Oklahoma, Kansas, and Missouri juniors, and repeat customers are frequent here at the Fiesers'.

The Fieser herd bull battery has always been strong in quality as well as pedigree. As you study the reference sires in this catalog you will note cattle of substance, frame, doing ability, and above all, quality, combined with popular bloodlines. Kenmar Prince 29B, a top son of Kodiak 3rd, whose get and service was a feature of the Jerry Arthur dispersal, has done a great job of breeding in the Fieser herd. As has the "One Eye" bull, a son of the immortal Massive Major (Four Point Major). His calves are certainly modern in every way.

We encourage every dedicated Shorthorn breeder to be present for this fine offering of Polled Shorthorn cattle. Make plans now to be in Hutchinson for the National Polled Congress Show & Sale and then be sure to stay over on the 13th for the Earl Fieser & Sons 1st Production Sale of Polled Shorthorns.

If we can in any way make your visit to this sale a more enjoyable one, please feel free in calling.

Sincerely,

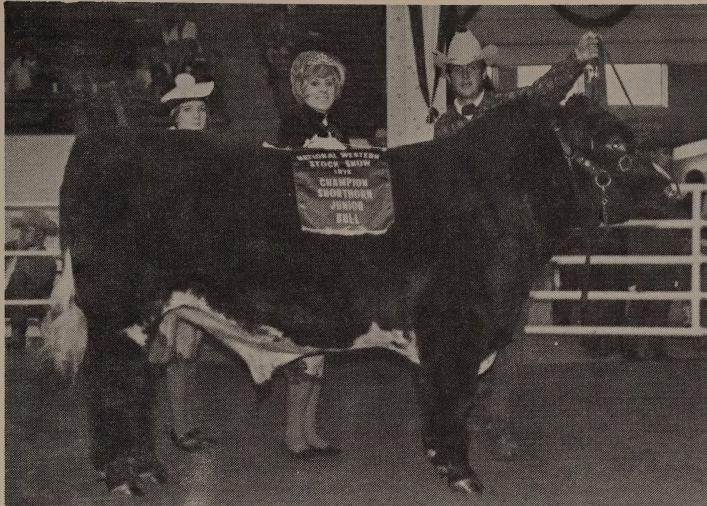

Bruce Brooks

There cannot be too much said about this grand old cow. She produced the sire of Viking 101, international champion bull. Mother of one of the good bulls in this sale. Goes back to one of the first Margie cows in our herd, and Land Guard, Miller's bull who was big and sound. Primrose Belle, was a champion cow from the state sale way back. Redwood Chief, top bull in the Nebraska sale, goes back to Riverside Nugget. We hate to part with her as she is the ideal cow the breed should be shooting for. She will be bred to Kenmar Prince. Her son sells as Lot 45.

A tremendous calf, weaned over 600 lbs. Has a lot of thickness and correct in every way. Study his pedigree. Many good foundation cattle in his background. We can highly recommend him if you want to produce beef.
